SUPPLIER FINANCING

Established in 2001, Camsa offers working capital, supply chain and cash flow solutions to Canadian clients selling around the globe. We have provided financing to more than 900 companies with clients in over 40 countries, and are the first Canadian financial services company to offer Supplier Financing in Canada.

ALL PARTIES BENEFIT

- Absolutely no cost to buyers.
- A simple, yet technologically advanced solution that allows buyers to provide liquidity to their suppliers at a competitive rate.
- Buyers can extend payables while paying suppliers faster.
- Suppliers receive better terms than those offered by alternative lenders.
- Stabilizes the supply chain, benefiting both buyers and suppliers.

A SIMPLE, EFFORTLESS PROCESS

ON-BOARDING

Camsa on-boards buyer's suppliers. Once set-up, transactions proceed normally.

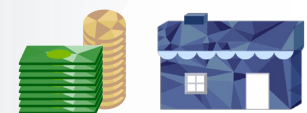

DAY 1

Buyer receives goods and invoices from suppliers as usual.

DAY 5

Buyer approves invoices and submits them to Camsa for payment.

DAY 7

Camsa pays suppliers.

DAY 60-120

Buyer pays Camsa as per the new extended payment terms.
